Senator Kelly Ayotte  
144 Russell Senate Office Building  
Washington DC 20510

Dear Senator Ayotte:

In early August, the Department for Health and Human Services released guidelines that would force Catholic institutions to subsidize through their health care plans contraception, sterilization procedures and pharmaceuticals that even result in abortion.

It was announced on January 20<sup>th</sup> by Kathleen Sebelius, secretary of the U.S. Department for Health and Human Services, that this mandate is affirmed and that non-profit institutions, including the Catholic Church, have one year to adapt to the mandate.

This is a direct threat to the religious liberty of Catholics, freedom of conscience and the social service ministry of the Catholic Church. The so-called 'religious exemption' in the mandate is no exemption at all as it would require any Catholic institution (that serves non-Catholics or employs non-Catholics) to violate Catholic belief, discontinue to provide health care, or close its doors.

I ask that you do all possible to rescind the 'Preventive Service Mandate' as an unprecedented federal interference in the right of Catholics to serve their community without violating their fundamental moral beliefs.

Along with this, I would also ask that you work to reestablish traditional marriage—between a man and woman. Thank you.

Sincerely,
